Lawyer

## Professional career

---

### Associé

Partner. Mr. Delorme's preferred area of practice is labour and employment law, primarily for private corporations in various sectors, including manufacturing, mining and the service sector. Since he first started his practice, he has developed particular expertise in issues concerning businesses under federal jurisdiction. He has represented clients before numerous civil courts and administrative tribunals, including the Supreme Court of Canada. Mr. Delorme has also represented employers in the course of collective agreement negotiations.

Mr. Delorme is a frequent conference speaker for various organizations and associations.
