

Julie Paquet

Lawyer

Professional career

Ms Julie Paquet primarily works in share and asset sales transactions, tax reorganizations, setting up inter vivos trusts, and particularly in the context of entrepreneurial successions, whether it's for intergenerational transfers or the integration of key employees.

Ms Paquet was an intern at our firm at the beginning of her career and she is now back after gaining valuable experience in large firms, an insurance company, and helping many businesses in Lévis ensure smooth business transfers.

Having given lectures to bankers to emphasize the importance of adopting customized shareholder agreements as a preventive measure for conflicts, Ms Julie Paquet has also drafted an impressive number of tailored shareholder agreements to adequately address the entrepreneurial reality of each client. Therefore, Ms Paquet is the perfect lawyer for drafting and reviewing your shareholder agreements.

In addition to practicing corporate law for many years, Ms Julie Paquet has served on various boards of directors: the Foundation of Collège de Lévis, the Gus Foundation, the Personnes handicapées en action de la Rive-Sud Fondation, and as President at the Foundation of Cégep Lévis-Lauzon. Always philanthropic and committed, Ms Paquet now sits on Comité d'investissement et de soutien aux Entreprises of Lévis (CISE) after previously holding similar roles with the Société de développement économique de Lévis (CLD) until its closure.

Implications

Member of the boards of directors of Comité d'investissement et de soutien aux Entreprises of the city of Lévis (CISE).

Member of the board of directors of the Deux Rives Funeral Cooperative.
