

## Éloïse Leclerc

---

Administration

### Professional career

---

*Éloïse Leclerc works primarily as a paralegal in the transportation law sector.*

Ms. Leclerc initially started as a student at the Commission des normes, de l'équité, de la santé et de la sécurité du travail. In 2019, upon completion of her studies in Legal Techniques at Collège Bart, she undertook her internship at the Société de l'assurance automobile du Québec.

Throughout her career, Ms. Leclerc has had the opportunity to diversify her experience and knowledge by working in various areas of law, such as criminal and penal law, labor law, administrative law, corporate law, commercial law, family law, and litigation.

Éloïse joined the transportation law team at Stein Monast in February 2024, where she primarily focuses on contesting criminal offenses that occurred outside of Quebec and in the United States.
