

Maude Savard

Lawyer

Professional career

Me Maude Savard focuses her practice in civil and commercial litigation, working primarily in the fields of insurance law, civil liability, and professional liability.

She joined the firm as a lawyer in the summer of 2025, after completing her articling program.

During her studies, Me Savard completed an academic term at Université Paris Cité in Paris, where she deepened her knowledge of public and private international law, enabling her to navigate cases involving multiple jurisdictions and legal systems.
