

Victor Taillefer

Lawyer

Professional career

Victor Taillefer joined the firm as a student in 2024 and **now practices as a lawyer after completing his articling program in the Business Law Group.**

His practice covers a broad range of corporate and transactional matters, including mergers and acquisitions, corporate reorganizations, financing and securities. He is known for his rigorous approach, attentive listening and practical understanding of business realities, enabling him to provide pragmatic solutions tailored to his clients' needs.

Passionate about sports, Mr. Taillefer brings the discipline and perseverance developed through sport to his professional practice.
