

## Carolane Gélinas

---

Lawyer

### Professional career

---

***Ms. Carolane Gélinas practises mainly in the fields of insurance law, civil liability and professional liability.***

Throughout her career, Ms. Gélinas has gained experience by becoming involved in various organizations, including the Tax Clinic and the Legal Information Office of the Faculty of Law of Université Laval. She acted as a speaker at the 2015 Tax Symposium of Université Laval and worked with a professor from the Faculty of Law as a research assistant for the update of a book on bodily injury. Ms. Gélinas has also completed a master's degree in France in bodily injury law as well as an internship in a French private firm practicing in this field during which she has developed her knowledge of civil liability and comparative law. With her rigor and dynamism, Ms. Gélinas is conscientiously involved in the mandates entrusted to her and always strives to act to the best of her abilities as well as the interests of her clients.
