

Antoine Pelletier

Lawyer

Professional career

Antoine Pelletier practices in real estate, municipal and administrative law.

He advises and represents public and municipal organizations, businesses, and individuals in real estate matters, particularly in land use planning, expropriation, municipal taxation, and environmental law. Me Pelletier's services are retained both at the stage of dispute prevention and in litigation before administrative and judicial bodies.

Me Pelletier represents his clients' interests with rigor and integrity. He strives to give them straightforward information and to present a range of solutions that respect their needs, challenges and costs, enabling them to make informed decisions.

He assists his clients and issues opinions on the terms and conditions of the right of ownership and its dismemberments, the authorizations required from public and municipal authorities to implement a real estate development project, and its compliance with land-use planning regulations. He represents clients before administrative and judicial tribunals in these matters, particularly in the context of applications for judicial review, permanent injunctions, and proceedings for declaratory judgments and damages.

Honours

Mr. Pelletier is recognized by the prestigious The Best Lawyers 2026 – Ones to Watch in Canada for his practice in Corporate and Commercial Litigation.
