

Julie Fréchette

Administration

Professional career

Julie Fréchette mainly deals with files related to the real estate law and financing sectors.

She carries out title searches and the preparation of security deeds. She drafts various applications for registration to the Land Registry and to the Register of Personal and Movable Real Rights (RDPRM).

Before joining our firm, Ms. Fréchette worked as a paralegal in commercial litigation for clients working in the field of automobile and commercial financing and in the field of financing.
