

Marie-Claude St-Laurent

Administration

Professional career

Marie-Claude St-Laurent practices mainly in insurance, civil and commercial litigation, civil and professional liability, real estate law as well as bankruptcy, insolvency and restructuring.

Ms. St-Laurent assists the lawyers by performing multiple tasks such as document management, preparation and management of evidence, verification and analysis of undertakings given during examinations on discovery, drafting of proceedings and research in various legal registers and databases.

Before joining the firm, Ms. St-Laurent worked as a paralegal in the field of land surveying for a firm of land surveyors. She performed all the land research for the preparation of various survey plans and also collaborated in several cadastral renovation mandates.
